Air Capital AMBUC AmTryke Rodeo

The Air Capital AMBUCS held a Tryke Rodeo on November 17th at Jabara Airport. Several members gathered the week before at Brian Cavin's garage to help assemble all of the Trykes to be given away. A total of 12 Trykes were given away at the airport to excited young recipients. The families were greeted as they arrived by Mindy Walters and Marian Stubbs. They were then escorted to the fitting area where Warren Wallis and Brian Cavin made sure the Trykes were adjusted just right. They then were able to

test them out in the riding area and had their pictures taken with their new Tryke, family and AMBUCS members. Family members were accompanied their therapists and if further adjustments were needed they were assisted by Curtis Stubbs. The event is something that is not attempted by many clubs and was a huge success. Thank you Brian Cavin for organizing the event, to Alexis Wallis for scheduling all

of the families and to all members who made it run so smoothly. There was even local TV coverage of the event. Everyone was excited to see the kids enjoy their new Trykes. See page 3 for more pictures.

Upcoming Events

Branding Time Round Up

The Air Capital AMBUCS hosted the Branding Time Open House on November 8th at 6:00pm at the Candle Club. We have had several guests throughout the month and so far have a total of seven new members. The losing team for recruiting

new members will be cooking dinner, serving and cleaning up after the lucky winners on Brian Cavin's team. Congratulations to Brian's team who brought the most guests, wore their pins to the meetings and had new members join. Details on the dinner are to

follow, so stay tuned.

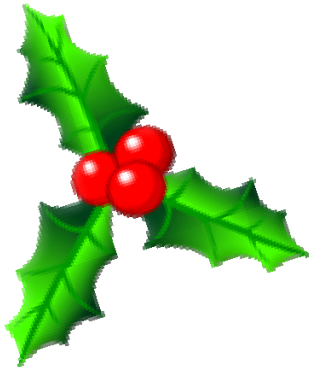

Inspire Hope Run

The Erin Is Hope Foundation (founded by Air Capital AMBUCS member Judy Pollard-Licklider) held their 3rd Annual Inspire Hope Run on November 3rd at the Wichita Waterfront. Over 600 people participated in the 8K Run and 1 mile run/walk. A total of over \$23,000 was

raised through the event to assist the Erin Is Hope Foundation. There was also a silent auction which added to the total amount raised. Several local businesses provided food, face painting and inflatables for kids of all ages. Several Air Capital AMBUCS members

assisted in activities and the run/walk. Pictured to the left is Judy Pollard-Licklider and Arlo Courtney (Alicia Stubbs' son) who was excited to win 1st place in the 6 and under group for the 1 mile race. For Alicia's time, we had to use a calendar.

AMBUCS Christmas Party

Can you believe Christmas is almost here? Be sure to attend the evening AMBUCS meeting at the Candle Club on Thursday, December 20th. We are expecting some VERY special guests that evening (one with a white beard and, no, we are not talking about LP) and will have fun Christmas activities and live music following the meeting. Come join us and be merry this holiday season.
