## Comedy Night at the Loony Bin

The Air Capital AMBUCS Big Hats partnered with the Loony Bin to raise funds for the Big Hat chapter. James Jo-

hann (from Paola, KS ) performed. It was Red-neck humor that most of us could relate to. LP

was on hand to translate for those that could not understand. The Big Hats received the proceeds from ticket sales totaling \$277. The night began with open mike night by local comedians. There was one first timer that got to experience stage fright first hand. It was a fun experience that everyone participating enjoyed. The manager was impressed with our group and our cause. We hope to join the Loony Bin in the future to do more events.

## AmTryke Give-away to Dakota

The Air Capital AMBUCS gathered at the Wal-Mart Neighbor Market at Central & Maize Friday, August 17th to present a new AmTryke to Dakota. She has had an AmTryke for several years and has outgrown it. The old Tryke was obviously well used as we hope this one will be. She was sad to see her

old one go but began to warm up to the idea of a new one. Pictured here is Dakota and her family. Several members were in attendance to see her off.

## Pre - PT WSU 5K Poker Run/Walk

The WSU Pre - PT held their 1st Annual 5 K Poker Run/Walk Saturday, August 25th. Pictured here are the Pre-PT members that participated in the Run/Walk. The Air Capital AMBUCS are the beneficiary of the

funds raised at the event. Thomas Lickliger, Dr. Mark Albers, Robert White and LP Jordan joined them by bringing the trailer and Trykes out for display. Many of the PT Club got their first glance at the AmTrykes and all were impressed. We hope to work with each of them as they move out into the world with their careers.

When LP announced to the group that in addition to providing therapeutic tricycles, AMBUCS also provides scholarships to physical therapy students, they all provided their undivided attention. In attendance but not shown in the picture was current scholarship recipient Katherine Wadsworth.

## End of Summer Blow - Out

The Air Capital AMBUCS Fun Committee put on the End of Summer Blow Out party at Anita and Jeff Harris' home the evening of Saturday, August 25th. Everyone enjoyed pork tacos pre-

pared by Anita and an array of side dishes from everyone who attended. Due to the rain, we were confined to the house and garage where Thomas and Judy's daughter Lindsay had fun entertaining us with modern cellphone ring-tones, Alicia's son Arlo broke out into breakdance moves and

Anita's daughter Allison and friend Amber performed cheers. It was a wonderful time enjoying each others company and getting to know new members. Eventually the rain stopped and it was a very pleasant evening. Thank you so much to Anita and Jeff for all their hard work and opening their home to us.

## Heartspring Family Fest Ride - a - Thon

Heartspring held their 1st annual Familyfest Ride - a - Thon in conjunction with their 10th annual Pedalfest, Sunday August 26th. The Air Capital AMBUCS arrived with their trailer and AmTrykes to display to participants. There was the Pedalfest 100K & 50K ride for those experienced riders and a new Ride - a - Thon family ride for parents and kids to the Woodlawn nature trails. There was

also a fundraising ride for kids to ride laps in the parking lot to raise money for the cause. There were a couple of children who rode over 100 laps each.

We fitted two future recipients at the event and with board approval, hope to provide them with their new AmTrykes soon. Both children were excited at the prospect of getting a new AmTryke.

## Black Top Nationals

The Black Top Nationals held their annual event at Century II August 24th - 26th. With everything else going on, this was another event the Air Capital AMBUCS participated in. There was a lot of interest from people as far away as Texas to Oregon there. What a feeling to know we can have an impact on people across the nation.

Thanks to Warren and Alexis Wallis, Scott Berg, Brian Cavin, Robert White, Thomas Licklider and Frank and Linda Chappell for helping to man the booth. We had interest from people as far away as Texas to Oregon there. What a feeling to know we can have an impact on people across the nation.

## Special Vote

At the August meeting of the board of directors it was determined that our current due structure was inadequate to meet the needs of our chapter. It was recommended and approved by the board to raise the quarterly dues from \$25.00 to \$30.00. The yearly dues paid in advance would remain at \$100.00.

Any change to the dues requires a vote by the full membership. Since not all member can come to noon and evening meetings voting will take place at the regular meetings on September 13th and September 20th. Please plan to attend one of these meetings in order to vote.
