## 2nd Annual AmTryke Rodeo

Air Capital AMBUCS held their 2nd Annual AmTryke Rodeo on Saturday, October 26th. It was a tremendous success! The club gave away 16 AmTrykes during the Rodeo to children in the area. The children ranged in age from 2 to 24.

The club has many people to thank for making this such a success. Thank you to Alexis Wallace for making the event run so smoothly. She scheduled all of the families to arrive for Tryke fitting, pictures and riding around. She also prepared snacks, drinks and all of the decorations for the event. Thank you also to everyone who attended the

Rodeo and helped accompany the families throughout the day. Thank you to Marvin Austry and Midwest Corporate Aviation for providing space to hold the Rodeo. And a big Thank you to everyone who helped build all of the AmTrykes, and to President Brian Cavin for hosting the build at his garage. ### AmTryke Presentation at Genesis Health Club

Air Capital AMBUCS presented an AmTryke to Giovanni at Genesis Health Club on October 23rd at 6:00pm. Giovanni is a very sweet 10 year old who has been anxiously awaiting his Tryke. He was joined by his mother and sister who helped him get on to his

new Tryke. Once everything was adjusted, he couldn't wait to take off. He got the hang of it quickly and rode out of the club on the Tryke with a big smile. The muscles in Giovanni's legs get very tight, making it hard for him to walk. The Tryke should help to exer-

cise his muscles and loosen them up. His mother was very grateful for all that we do and had a hard time keeping back the tears. They are looking forward to joining us at different events so that he can ride his Tryke with other children.

### Fall Branding Time Open House

Air Capital AMBUCS hosted their fall Branding Time Open House on October 17th at 6:00 at the Candle Club. So far, we have obtained three new members with others that are very interested in what we do. Thank you to Friendship Committee Chair Karen Blume for organizing this event. Thank you to all that attended, brought guests and spread our mission to those you feel will be in-

terested in participating with us. New members joining that night were Jim Weldon and Mike Babue Jennifer McAlister joined the following week. Thank you LP for bringing in all these new members.

### 4th Annual Halloween Party

Air Capital AMBUCS will be holding their 4th Annual Halloween Party on November 2nd. Once again, members Thomas & Judy will be hosting the party at Erin is Hope Clinic at 4921 E 21st St. The club will be providing hamburgers and hot

dogs. Members are encouraged to bring a side dish or dessert. There will be activities, karaoke, fun and fellowship. So get creative and show up in your best costume.

## Poker Tournament

The Candle Club, General Manager and AMBUCS member John Fitzthum will be hosting a Texas Hold'em Poker Tournament for the benefit of Air Capital AMBUCS on Saturday, November 9th. Both KU & K-State have away games that week so there are no excuses for not being there as we will have them on TV. Check in is at 2:00pm and play starts at 3:00pm. There is a \$50 buy in and prizes for

the winners. Prizes include: 1st Place - \$500, with other prizes for 2nd, 3rd, 4th and 5th places. There will also be a silent auction to raise extra funds for the club. For those that don't know how to play Texas Hold'em it will only cost you your \$50 buy-in to learn. Or come to help spread the word about our club. All Candle Club members, AMBUCS, friends and

family are welcome to participate and donate to our club. Bring your poker faces and leave your guns and knives at the door!

## Tryke Build for the AmTryke Rodeo

Look at all the work Air Capital AMBUCS has been doing in preparation for the 2nd Annual Rodeo. Over the last two months, as well as building AmTrykes to stock the Trailer and for regular presentations, the club had to assemble 16 AmTrykes for this event. Thank you to Brian Cavin and Warren Wallis for providing tools and expertise, and to Alexis Wallis, Tiffany Owens, LP Jordan, Ray Haskell and Alicia Stubbs for attending

the Tryke build this month to make sure that the remainder of the Trykes were ready to go for the big event.
