## Presentation to Brandi and Leo

Air Capital AMBUCS presented two new AmTrykes on April 19, at the Walmart at 13th and Oliver.

The first Tryke went to Brandi, a 12 year old who has used an AmTryke in therapy sessions at Wesley Hospital. She was thrilled to receive her very own Tryke.

Brandi has Cerebral Palsy-Spastic Diplegia, but has a

wonderful bubbling personality and a positive outlook .

She may give her Mom a workout trying to keep up with her!

The second Tryke went to Leo, a very active 3-year-old, who had no problems making his Snappy AmTryke go.

One of five siblings who love to bikes, he's happy

that he'll be able to be part of the "club."

## A New AmTryke for Isabelle

Air Capital AMBUCS made arrangements to get a new AmTryke to Isabelle. She is a 5 year old who is currently receiving treatment for cancer in Houston. She

has multiple disabilities and had previously ridden an AmTryke at her school.

Isabelle's father delivered the bike to Houston so she can continue to ride dur-

ing therapy and when she returns home.

Thank you Warren and Alexis Wallis for making arrangements to get this Tryke to Isabelle.

## Guest Speakers

Air Capital AMBUCS had two special guest speakers from the Sedgwick County Sheriff's Department in April. Thank you to LP Jordan for making arrangements for these speakers.

On April 10, Sgt. Scott Plummer attended our meeting to speak about S.E.N.I.O.R.S. services for the elderly in Sedgwick County outside of the city of Wichita. Residents may register with the Sheriff's Office and make information available about emergency contacts, medications they

may be taking and other medical needs in case of emergency.

Deputy Jaime Converse spoke on April 24th about personal safety at home and in public. She stressed the importance of being aware of your surroundings and keeping homes and cars locked at all times.

Both speakers offered very interesting and helpful information. Thanks, again, to both of them for sharing their time and knowledge with us.
