AmTryke Presentations at McGavick Nissan

On Thursday, February 19, a group of Air Capital members met at McGavick Nissan on East Kellogg for two AmTryke presentations.

Damon

Nine-year-old Damon was fitted with a model AM-16. He immediately took off riding. Look out for Damon - he loves to get fast! He will certainly get lots of peddling to strengthen his muscles, and give his parents a work-out as well!

Anna

Anna, age three, has cerebral palsy, and has been riding an AmTryke during therapy sessions. She was happy to receive her very own Tryke to take home, so she can ride with her siblings. We were happy to have Anna’s therapist present at the event.

Upcoming Events

AmTryke Rodeo - 10 a.m. - 3 p.m. Saturday, March 28

St. Patrick’s Day Party - 6 p.m. Saturday, March 21 - Brian’s Garage (Watch for details)

AMBUCS at the Home Show

Air Capital volunteers spent many hours at the Wichita Home Show, February 5 - 8, sharing information about the AMBUCS organization and the AmTrykes on display.

Warren Wallis declared the event a success. A number of contacts were made, and donations toward the purchase of AmTrykes totaled more than \$300.

Great Plains Region Conference

It's time to plan for the Great Plains Regional Conference, to be held May 15 and 16 in Midwest City, Oklahoma. Planned activities include an Early Bird Party Thursday night.

Friday activities include a golf tournament and Trek for Trykes; training sessions and AMBUC University Training; and a Friday Night Extravaganza with food and fun.

Saturday morning begins with the Big Hat Breakfast, followed by officer training and educational seminars. Other activities will include a Classic Car & Bike Show and an AmTryke Rodeo. The conference will conclude with a banquet Saturday night.

Big Hat Report

The Big Hats continue to eat their way across Wichita, with the February 26 meeting at the Green Mill. The food was very good, with large portions. (LP reported that he was able to live the entire weekend off the remainder of the calzone he took home with him.)

By popular demand, the next meeting will also be at the Green Mill at 6:00 p.m. Thursday, March 26.

“Thank You” from Jaxson’s Family

Jaxson received his AmTryke on January 13 during his therapy session at Wesley Therapy Center. His mother sent this “Thank You” to Alexis and Warren Wallis.

She wrote, “(Jaxson) has only been able to use (his Tryke) a couple times outdoors, but he really loves it. This is going to help him build his core muscles to get stronger. He is a very active little boy, and this is only going to make him that much more determined to get around! . . . I am very thankful for people like you who take the time and effort to help people like my son.”
