AMBUCS Dignitaries Attend Air Capital Meeting

Air Capital AMBUCS welcomed National President Al Bedell and Great Plains Regional Director Gary Miles at their August 18 meeting at Old Chicago.

Members began gathering at 5:30 p.m. for conversation and drinks, followed by the regular meeting and dinner at 6 p.m. President Brian Cavin conducted a brief business meeting, before turning the evening over to Gary and Al.

Gary spoke in appreciation of Air Capital's record of donating approximately 250 AmTrykes in its six-year existence, as well as efforts to increase visibility and awareness of the AmTryke program. He asked Curtis Stubbs to share about his planned ride in September to raise funds for the National Wish List.

Gary then introduced current National President Al Bedell, who told about his background with AMBUCS - he came from Cornbelt AMBUCS in Bloomington, IL, and has been largely involved in ramp building. He spoke about his vision for increasing awareness of AMBUCS, and the search for a new executive director to replace retiring director Joe Copeland.

Two additional guests were welcomed: Mike Light, invited by Karen Blume; and Richard Rowe, invited by Linda Chappell.

Air Capital AMBUCS Enjoy Day at the Beach

A break in the hot, humid August weather created the perfect atmosphere as Air Capital members and their families gathered at Mystic Lakes for a summer party on Saturday, August 13.

The youngsters waded, fished, and built sand castles on the beach, while others watched and enjoyed conversation in the shade and pleasant breeze. Some enjoyed a boat ride and attempts at ski boarding.

All enjoyed the hamburgers grilled by LP Jordan, as well as sides and dessert everyone brought to share.

A big thanks to Alicia Stubbs and LP, who planned the event, and to Ray Haskell who arranged for the venue.

Harvey County Fair Parade

Three Air Capital members on Amtrykes joined the Trinity Heights United Methodist Church presence in the Harvey County Fair Parade on August 5th.

Several children who receive services from Respite Care, a ministry of THUMC, were given Amtrykes at the March 2015 Rodeo in Newton.

LP Jordan, Alicia Stubbs and Curtis Stubbs joined other bikers and walkers accompanying the float, while promoting AMBUCS.

Big Hat Club Plans Miniature Golf Tournament

Air Capital members, family and friends are invited to a Miniature Golf Tournament at 2 p.m. Sunday, September 11. Sponsored by the Big Hat Club, the event will be held at All Star Adventures, 1010 N. Webb. Entrance fee is \$5.00. Plan to attend this fun event!

The next Big Hat meeting is scheduled for 6 p.m. Thursday, September 29, at the home of Frank and Linda Chappell, 2265 N. Fountain .

AMBUCS National Conference

Six Air Capital members are making plans to travel to the AMBUCS National Conference, October 28 -October 1 at Loews Ventana Canyon Resort , Tuscon, AZ.

Those attending will include President Brian Cavin, Past President Curtis Stubbs, District Governor LP Jordan, and members Alexis Wallis, Alicia Stubbs and Marian Stubbs.

From "The World of Wish List"

Air Capital member Curtis Stubbs was featured in *The World of Wish List*, an email update about the National Wish List from AMBUCS Resurce Center. Below is an excerpt:

Curtis Stubbs, member of the Air Capital Chapter of AMBUCS, is no stranger to riding long distances for a great cause. Last month, Curtis and three fellow members rode across Kansas and raised over \$1,000 with ease.

Curtis is back at what he does best...riding for the cause!

On September 1 Curtis will ride 800 miles from Savannah, GA to Key West, FL in order to raise donations for the longest waiting on the National Wish List. From now through the end of September, Air Capital will manage an online fundraiser for this amazing Am-buc! 100% of donations will purchase trykes for longest waiting on the Wish List.

You don't have to trek 800 miles like our friend Curtis to make a difference. Thank goodness! Supporters can show their love for the cause by simply making an online donation ...

Curtis and friends assembled the new Tadpole Recumbent Amtryke which he will be riding on his next venture to promote AMBUCS and Amtrykes.
